

# WOMEN'S CLINIC PROGRAM

Our women's clinics are designed to improve each participant's skills and comfort level in a relaxed social atmosphere. Whether novice or avid player, are clinics are designed to provide you with a progressive building block approach and contain both full swing and short game instruction to improve your overall game. In order to get the most benefit from the clinic program we encourage you to attend each clinic.

## WOMEN'S CLINICS (9-10AM Tuesdays)
